

# SYRIA CRISIS – OVERALL RESPONSE OF THE ITALIAN COOPERATION IN THE REGION

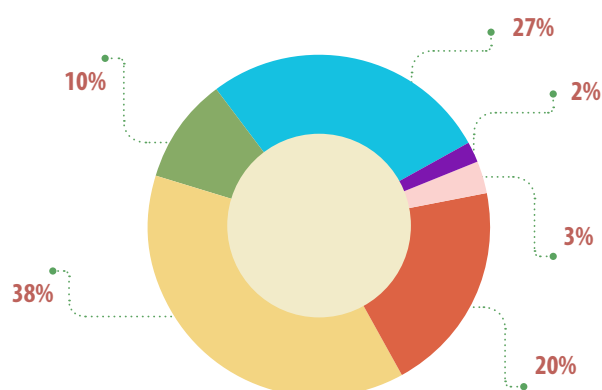

## SYRIA CRISIS – A REGIONAL CRISIS

Now in its 7th year, the protracted conflict in Syria has created a complex humanitarian emergency in the Arab Region, with two thirds of the population displaced and socioeconomic pressures on the neighbouring states. AICS – the Italian Agency for Development Cooperation- provides assistance and protection to population inside Syria, as well as refugees and host communities affected by the crisis in Iraq, Jordan, Lebanon and Turkey, to ensure that vulnerable people have their basic needs covered and to enhance livelihoods opportunities.
